### 9) Essays

- Please complete the appropriate essay questions for the scholarship you are applying for.
- No essay submission will result in a score of 0 on the rubric affecting your overall score.
- Please type your essay questions on a separate document and submit with your application.

**Honoree** – please complete one optional essay question and the required essay question with a minimum of 250 words.

#### A) Optional Question:

- Please describe how your interests and achievements, both academic and extracurricular, demonstrate a capacity for leadership, commitment to using your knowledge to serve the agriculture industry, and to applying your talents to improve the lives of others.
- How will you be an advocate for agriculture in your future career?

B) Required Question: What are the most significant challenges facing agriculture today? How would you address these challenges?

**Membership** – please complete both required questions with a minimum of 250 words.

- Please describe what your future career goals are and how your interests and achievements demonstrate the capacity to reach your goals.
- What are the three most significant challenges facing agriculture today? How would you address these challenges?

**Production** – please complete one optional essay question and the required essay question with a minimum of 250 words

#### A) Optional Question:

- Please describe how your interests and achievements, both academic and extracurricular, demonstrate a capacity for leadership, commitment to using your knowledge to serve the agriculture industry, and to applying your talents to improve the lives of others.
- How will you be an advocate for agriculture in your future career?

B) Required Question: What are the most significant challenges facing agriculture today? How would you address these challenges?
